- Boat related garbage, and limited hazard waste disposal facility
- Public restrooms

About our facilities:

Swantown Boatworks boatyard is owned and operated by the Port of Olympia. Serving our boating community since 1999, we operate a 82 ton Marine Travel-Lift, hauling vessels from 17' to 80' in length up to 21' wide, and has the capacity to store up to 60 vessels. Our jib crane has a 10,000 pound capacity. Forklift and crane services are available on site.

The 3.6 acre boatyard includes a mast storage area, security, and a public restroom. To keep our waterways clean, we also feature a state-of-the-art wash down and water treatment facility for boats being pressure washed.

For more information about scheduling & coordinating Long - Term Storage, please contact the Boatworks Office.

Long-Term Storage is available on a first haul, first serve basis.
