About our facilities:

Swantown Boatworks boatyard is owned and operated by the Port of Olympia. Serving our boating community since 1999, we operate an 82 ton Marine Travel-Lift, hauling vessels from 17' to 80' in length, up to 21' wide, and have the capacity to store up to 60 vessels. Our jib crane has a 10,000 pound capacity.

Forklift and crane services are available on site.

The 3.6 acre boatyard includes a mast storage area, security, and a public restroom. To keep our waterways clean, we also feature a state-of-the-art wash down and water treatment facility for boats being pressure-washed.
